- A **\$25** no-show/late cancellation charge will be applied to those who <u>do not</u> give 24 hours notice.
  - ✓ *Monday* appointments must be cancelled prior to 12:00pm Friday.
  - ✓ Please be aware that insurance will not cover charges for no-shows/late cancellations.

**PHOTO**- We may ask to take and save a photograph of you to your medical record, for the purposes of proper identification and protection of your medical information. This photograph will not be published or released to any location other than your medical record. If you have any questions, please ask to see the Clinic Manager.

**MUSIC**- At Peak Motion, music creates what we feel is an important role in setting a positive atmosphere for the clinic setting. In the gym, upbeat music is used to motivate and facilitate exercise. However, at any time, you find the music offensive or would like to request something, please ask any of our staff for a change.

**GUESTS**- Children and guests are encouraged to remain in the lobby, however, if there is a concern about the patient, please speak with one of our therapists. Please understand this policy is in place purely for the <u>safety</u> of your children and to decrease the traffic in the clinic. An adult in the waiting area must quietly supervise small children.

I have read and understood the above. I understand that attendance at each therapy session is important to my recovery and will notify my therapist if unable to attend a session so that it may be rescheduled.
